Dear Sir:

On March 17, 2005, Applicant received the attached Determination of Patent Term Extension Under 35 U.S.C. 154(b) indicating an extension of 0 days.

In accordance with 35 U.S.C. 154 (b)(1)(a)(i), the USPTO failed to provide at least one of the notifications under section 132 of this title or a notice of allowance under section 151 of this title not later than 14 months after the date on which an application was filed under section 111(a) of this title.

Based on the file history as available on PAIR (copy attached) it is believed that this delay was caused by the USPTO losing the file. Accordingly, this delay was not caused by the Applicant.

The difference between the filing date (September 12, 2000) + 14 months (November 12, 2001) and the date a first notification was received (March 17, 2005) is 3 years, 4 months and 5 days.

Application No.: 09/418730

Case No.: 55124US002

It is believed that no fee is due; however, in the event a fee is required, please charge the fee to Deposit Account No. 13-3723.

Respectfully submitted,
